

Midwifery Science – Annual report 2016

1. Publications	2
1.1 Completed publications	2
A. International journals (peer reviewed and other)	2
B. National journals (peer reviewed and other)	3
C. Letters/short articles	4
D. Abstracts	4
E. Media Attention	4
1.2 Future publications	5
2. Presentations	6
2.1 Completed presentations	6
A. Invited lectures at scientific meetings	6
B. Lectures for health care professionals, general public and patients (non-scientific audience)	7
C. Lectures other	7
D. Poster presentation	7
2.2 Future presentations	8
1. Symposium	8
2. Other presentations	8
3. Research	9
3.1 Current research projects, Project leader Midwifery Science	9
3.2 Current research projects, Midwifery Science participant in research	9
4. PhD's	9
4.1. Completed PhD's	9
4.2 Current PhD's	9
4.3 Future PhD's	10
5. Acquisition	10
5.1 Completed proposals	10
5.2 Current proposals	10
5.3 Acquisition ideas	11
5.4 Obtained research funds, grants and contracts	11
6. Symposia / conferences organized	11
6.1 Completed	11
6.2 future	11
7. Symposia / conferences attendance	12
7.1 Completed	12
7.2 Future	12
8. Teaching activities	13
8.1 Completed teaching	13
8.2 Ongoing teaching	13
9. Courses	14
9.1 Completed Courses	14
9.2 Current Courses	14
9.3 Planned Courses	14
10. (Inter)national (non-)academic collaboration	15
10.1 International collaborations	15
10.2 national collaborations	15
11. Other activities	15
11.1 Completed activities	15
A. External examiner and member of opposition panel PhD candidates	15
B. Member of opposition panel PhD candidates	15
C. Review for international paper	15
D. Review of proposals for scientific committee EMGO+	16
E. Review of student dissertations for Kennispoort Prize	16
F. Other (MRNN and Consortia)	16
G. Awards (no grants) and honors/special appointments	16
H. Memberships of scientific committees, editorial boards and civil society advisory bodies	16
11.2 Ongoing activities	17
11.3 Other	18

1. Publications

1.1 Completed publications

A. International journals (peer reviewed and other)

1. **Holten, L.**, de Miranda, E. "Women's motivations for having unassisted childbirth or high-risk homebirth: An exploration of the literature on 'birthing outside the system'." *Midwifery*. 2016 March 19. Doi:10.1016/j.midw.2016.03.010.
2. **Verhoeven CJ**, Nuij C, Janssen-Rolf CR, Schuit E, Bais JM, Oei SG, Mol BW. Predictors for failure of vacuum-assisted vaginal delivery: a case-control study. *Eur J Obstet Gynecol Reprod Biol* May 2016, Vol.200:29-34 doi:10.1016/j.ejogrb.2016.02.008
3. **Perdok H**, Jans S, **Verhoeven CJ**, Dillen van J, Batenburg R, Mol BW, Schellevis F, **Jonge de A**. Opinions of professionals about integrating midwife- and obstetrician-led care in The Netherlands. *Midwifery* 37 (2016), 9-18; DOI:10.1016/j.midw.2016.03.011 . **(Nursing Scie: Impact Factor=1.861@)**
4. Mol BW, Logtenberg SL, **Verhoeven CJ**, Bloemenkamp KW, Papatsonis DN, van der Post JA, Bakker JH. Does measurement of intrauterine pressure have predictive value during oxytocin-augmented labor? *J Matern Fetal Neonatal Med*. 2015 Dec 23:1-4.
5. van den Brink, G., Stapersma, L., El Marroun, H., **Henrichs, J.**, Szigethy, E.M., Utens, E.M., Escher, J.C. (2016). Effectiveness of disease-specific cognitive-behavioural therapy on depression, anxiety, quality of life and the clinical course of disease in adolescents with inflammatory bowel disease: study protocol of a multicentre randomised controlled trial (HAPPY-IBD). *BMJ Open Gastroenterology*, 3(1), e000071. doi: 10.1136/bmjgast-2015-000071. eCollection 2016.
6. **Henrichs, J.**, **Verfaillie, V.**, **Viester, L.**, **Westerneng, M.**, Molewijk, B., Franx, A., van der Horst, H., Bosmans, J. E., **de Jonge, A.**, Jellema, P. & the IRIS Study Group (2016). Effectiveness and cost-effectiveness of routine third trimester ultrasound screening for intrauterine growth restriction: study protocol of a nationwide stepped wedge cluster-randomized trial in The Netherlands (The IRIS Study). *BMC Pregnancy and Childbirth*, 16, 310. <http://doi.org/10.1186/s12884-016-1104-8>
7. **Warmelink JC**, Meijer JM, Mulder N, Mulder S, van Lohuizen MT. Perception of the psychosocial aspects of subfertility by parents following medically assisted conception: a qualitative study. (A) *Reproductive Health Open Journal of Obstetrics and Gynecology*, 6, 830-845. doi: 10.4236/ojog.2016.613101.
8. **Witteveen AB**, De Cock P, Huizink AC, **De Jonge A**, **Klomp T**, **Westerneng M**, **Geerts CC**. Pregnancy related anxiety and general anxious or depressed mood and the choice for birth setting: a secondary data-analysis of the DELIVER study. *BMC Pregnancy Childbirth*. 2016 Nov 22;16(1):363.
9. Bolten N, **de Jonge A**, Zwagerman E, Zwagerman P, **Klomp T**, Zwart JJ, **Geerts CC**. Effect of planned place of birth on obstetric interventions and maternal outcomes among low-risk women: a cohort study in the Netherlands. *BMC Pregnancy Childbirth*. 2016 Oct 28;16(1):329.
10. Zhao Y, Zhang J, Hukkelhoven C, Offerhaus P, Zwart J, **Jonge Ad**, **Geerts C**. Modest Rise in Caesarean Section from 2000-2010: The Dutch Experience. *PLoS One*. 2016 May 18;11(5):e0155565.
11. Zhang J, **Geerts C**, Hukkelhoven C, Offerhaus P, Zwart J, **de Jonge A**. Caesarean section rates in subgroups of women and perinatal outcomes. *BJOG*. 2016 Apr;123(5):754-61.
12. **Baron R**, Te Velde SJ, Heymans MW, Klomp T, Hutton EK, Brug J. *The relationships of health behaviour and psychological characteristics with spontaneous preterm birth in nulliparous women under prenatal primary care*. *Matern Child Health J*, Aug 2016,DOI:10.1007/s10995-016-2160-4
13. **Warmelink JC**, de Cock TP, Combee Y, Rongen M, Wiegers TA, Hutton EK. Student midwives' perceptions on the organisation of maternity care and alternative maternity care models in the

Netherlands - a qualitative study (Accepted BMC Pregnancy & Childbirth. Doi:10.1186/s12884-016-1185-4)

14. **Perdok J**, Jans S, **Verhoeven C**, Henneman L, Wiegers T, Mol BW, Schellevis F, **De Jonge A** (2016). Opinions of maternity care professionals and other stakeholders about integration of maternity care: a qualitative study in the Netherlands. *BMC Pregnancy and Childbirth*, 16(1): 188. Doi: 10.1186/s12884-016-0975-z. (**Obs: Impact Factor=2.180**)
15. **De Jonge A**, Sandall J (2016). Perspective. Improving research into models of maternity care to inform decision making. *Plos Medicine*, doi:10.1371/journal.pmed.1002135 September 27.
16. **Klomp T, De Jonge A**, Hutton EK, Lagro-Janssen ALM (2016). Perceptions of labour pain management of Dutch primary care midwives: a focus group study. *BMC Pregnancy and Childbirth*, Jan 16, 16(1): doi: 10.1186/s12884-015-0795-6. (**Obs: Impact Factor=2.180**)
17. Koelewijn J, Warmink W, **De Jonge A**, Van Diem M, Lagro-Janssen ALM (2016). Better perineal outcomes in sitting position can not be explained by changing from upright to supine position for performing an episiotomy. *Midwifery*, 34: 1-6. (**Nurs Scie: Impact Factor=1.861@**)
18. **Klomp T, Witteveen AB, De Jonge A**, Hutton EK, Lagro-Janssen ALM (2016): A qualitative interview study into experiences of management of labor pain among women in midwife-led care in the Netherlands, *Journal of Psychosomatic Obstetrics & Gynecology*, 25;1-9. DOI: 10.1080/0167482X.2016.1244522
19. Buitendijk SE, **De Jonge A** (2016). Are we misinforming our low-risk mothers regarding birthplace outcomes: is it time for formal consent?: AGAINST: Formal consent is not necessary for home births. *BJOG*, 123(9):1531.doi:10.1111/1471-0528.14036.
20. **Logtenberg S**, Oude Rengerink K, **Verhoeven CJ**, Freeman LM, van den Akker E, Godfried MB, van Beek E, Borchert O, Schuitemaker N, van Woerkens E, Hostijn I, Middeldorp JM, van der Post JA, Mol BW. Labour pain with remifentanyl patient-controlled analgesia versus epidural analgesia: a randomised equivalence trial. *BJOG*. 2016 Jun 27. doi: 10.1111/1471-0528.14181.
21. **Janneke Gitsels-van der Wal, Linda Martin**, Evelien Spelten. P41 Enquiring clients' values as part of counseling for prenatal anomaly screening: an exploratory video-observational study. Poster Abstracts of the ISPD 20th International Conference on Prenatal Diagnosis and Therapy, Berlin, Germany, 10–13 July 2016. *Prenatal Diagnosis* 2016, 36(Suppl. 1), 23–84
22. **Klomp T**, Lagro-Janssen T. Omgaan met baringspijn, *Vlaams Tijdschrift voor Vroedvrouwen Mei-Juni 2016*,(22)3;159-165.
23. A.van Reedt-Dorland, **L.Peters**, A. Boenink, J.Smit, J. Slaets, A. Hoogendoorn, A. Joos, C. Latour, F. Stiefel, C. Burrus, M.Guitteny-Collas, S. Ferari, Biopsychosocial anamnesis using the INTERMED SELF ASSESSMENT-IMSA, *J Psychosom Res* . 2016;85-86 (Q2 journal)
24. Jana Vanden Broeck, **Esther Feijen-de Jong, Trudy Klomp**, Koen Putman, Katrien Beeckman, 'Antenatal care use in urban areas in two European countries. Predisposing, enabling and pregnancy-related determinants in Belgium and the Netherlands'. *BMC Health Services Research*, 2016

B. National journals (peer reviewed and other)

1. **Warmelink JC**, Adema W, Pranger A, de Cock TP . De ervaringen en de verloskundige zorgbehoeften van cliënten in de transitie van subfertiliteit naar ouderschap: een kwalitatieve studie. 2016. TvV 3 online.
2. **Warmelink JC**, Adema W, Pranger A, de Cock TP. De ervaringen en de verloskundige zorgbehoeften van cliënten in de transitie van subfertiliteit naar ouderschap: een kwalitatieve studie. In: *Praktijkgericht onderzoek inspireert*.2016 Hogeschool Inholland.124-131
3. **Linda Martin**. Counseling over prenatale screening op aangeboren afwijkingen: Wel: een goed gesprek; Niet: een standaard praatje. TvV Maart 2016
4. **Gitsels – van der Wal JT**. Rol van religie in de besluitvorming rondom deelname aan prenatale screening. *Tijdschrift voor Verloskundigen* 2016(2).

5. Henneman L, **Gitsels – van der Wal J**, Waal van der L, Rooij van E, Boer de M, Verweij J, **Martin L**. niet-invasieve prenatale test (NIPT) als eerste screeningstest? Kennis, mening en ervaringen van verloskundigen. Tijdschrift voor Verloskundigen 2015;5:6-11
6. Afstemmen en coördineren. Zorggebruik in de eerstelijns. **Esther Feijen-de Jong**. Tijdschrift voor verloskunde, 2016

C. Letters/short articles

1. **De Jonge A**, Verhoeven C, Thornton J (2016). Re: Perinatal mortality and morbidity up to 28 days after birth among 743070 low-risk planned home and hospital births: a cohort study based on three merged national perinatal databases. *BJOG*, 123(7): 1235-6. Doi: 10.1111/1471-0528.13935.
2. **Verhoeven CJ**. Authors' response: Re: Predictors for failure of vacuum-assisted vaginal delivery: a case-control study. *Eur J Obstet Gynecol Reprod Biol*. 2016 Aug;203:332-3. doi: 10.1016/j.ejogrb.2016.05.031.
3. **Warmelink JC**, Hoijsink K, Noppers M, Wiegers TA, **de Cock TP**, **Klomp GMR**, **Hutton EK**. Wel veel papierwerk. *TvV* 3:28-31
4. **Trudy klomp**. Irena Veringa . Maak pijn bespreekbaar met de pijnlineaal 2015. Tijdschrift voor Verloskundigen (TvV) 01 .

D. Abstracts

1. **Linda Martin**. Oral presentation: Introduction of non-invasive prenatal testing (NIPT) as a first-tier screening test: a survey among Dutch midwife-counselors. 'Najaarsbijeenkomst 9 december 2016 De Nederlandse Associatie voor Community Genetics en Public Health Genomics (NACGG).
2. **Linda Martin**, Janneke Gitsels - van der Wal and Lidewij Henneman. P51 Introduction of non-invasive prenatal testing (NIPT) as a first-tier screening test: a survey among Dutch midwife-counselors. Poster Abstracts of the ISPD 20th International Conference on Prenatal Diagnosis and Therapy, Berlin, Germany, 10–13 July 2016. *Prenatal Diagnosis* 2016, 36(Suppl. 1), 23–84
3. **Gitsels – van der Wal JT**, **Martin L**, **Spelten ER**. Symposium: Midwives as professional counselors for decisions around fetal anomaly screening. ICM 2017 Toronto submitted
4. **De Jonge A**, 'How safe is birth out-of-hospital?' European Congress of Perinatal Medicine, Maastricht, The Netherlands, 17 June 2016.
5. **De Jonge A**, 'Numbers needed to cheat'. Normal Birth Conference, Western Sydney, Australia, 10 October 2016.
6. **De Jonge A**, 'The impact of planned place of birth on the rate of caesarean section and instrumental vaginal birth: a cross-national comparison of birth settings in England and the Netherlands'. International Confederation of Midwives' Conference, Toronto, Canada, 18-22 June 2017.

2. Presentations

2.1 Completed presentations

A. Invited lectures at scientific meetings

1. Linda Martin: in company training 'Verdieping counseling voor prenatale screening en diagnostiek'. 6 april 2016 DOKh
2. Jens Henrichs: Fetal Growth Meeting 2016 in Toronto, Canada: 'Routine third trimester ultrasonography and pregnant women's experiences of prenatal care. A stepped-wedge cluster-randomized trial: The IRIS Study'
3. Myrte Westerneng: October 2016, EMGO+ External Evaluation – Site Visit, overview of PhD project in Pecha Kucha format.
4. Linda Martin. December 2016. NACGG Najaarsbijeenkomst 2016. Introductie van de niet-invasieve prenatale test (NIPT) als eerste screeningstest: vragenlijstonderzoek onder Nederlandse verloskundigen
5. Hilde Perdok: September 2016. Normal Birth and Labour Congres Sydney, Australië. Opinions of professionals about integrating midwife- and obstetrician-led care.
6. Viki Verfaillie: Spreker parallelsessie Conferentie Kennispoort, Utrecht: 22 januari 2016 "Multidisciplinary consensus on diagnosis and management of suspected fetal growth restriction in the Netherlands – a Delphi study.
7. Viki Verfaillie: (invited) spreker 2^e Lustrum symposium BovenMaasPrenataal, Rotterdam: 28 april 2016 "IRIS studie: stand van zaken & wanneer verwijzen voor foetale groeirestrictie?"
8. Viki Verfaillie: (invited) Spreker GCMN themabijeenkomst onderzoek, Utrecht: 6 oktober 2016 "Biometrie-echo's in Nederland: gegevens uit de IRIS studie"
9. Corine Verhoeven: Het Twinning-project. FUN-meeting (Fundamental research in obstetrics), Veldhoven, 9 juni 2016
10. Corine Verhoeven: Pitchen. Promovendiday 13 december 2016
11. Janneke Gitsels: symposium De Vervolmaakte Mens, oral presentation: Downscreening: ervaringen uit de verloskundigenpraktijk en visies op screening, September 2016
12. Warmelink JC, de Cock TP, Wiegers TA, Hutton EK 'Hoe kijken studenten aan tegen (nieuwe ontwikkelingen in) de organisatie van verloskundige zorg? – posterpresentatie. Utrecht, Kennispoort, 22 januari 2016 (held) (scientific and non-scientific)
13. Warmelink JC, Meijer JM, Mulder N, Mulder S, van Lohuizen MT Perception of the psychosocial aspects of subfertility by parents following successful Medically Assisted Conception: a qualitative study in the Netherlands. ISPOG Malaga, Spain 12-14 May 2016 (held) (scientific)
14. Warmelink JC, de Cock TP, Wiegers TA, Hutton EK Student midwives' perceptions on the organisation of midwifery care and alternative maternity care models in the Netherlands - a qualitative study . Talk given at 5th EMA education conference 2-3 December 2016 London UK (scientific)
15. Ank de Jonge: 'How safe is birth out-of-hospital?' Symposium on home birth related to the PhD defence of Berglind Hálfhánsdóttir, Reykjavik, Iceland, 4 May 2016.
16. Ank de Jonge: 'How safe is birth out-of-hospital?' European Congress of Perinatal Medicine, Maastricht, The Netherlands, 17 June 2016.
17. Ank de Jonge: 'Birthing positions revisited. Examining the evidence for a routine practice.' Symposium on evidence based midwifery, Sofia, Bulgaria, 18 September 2016.
18. Ank de Jonge: 'The maternity care system in the Netherlands'. Lecture for obstetricians and midwives, Shanghai, China, 17 October 2016.
19. Ank de Jonge: 'Samen op de kleintjes letten. Multidisciplinaire samenwerking rond de opsporing van foetale groeivertraging.' SCEM congress Foetale Groeivertraging, 24 November 2016.
20. Ank de Jonge: 'Numbers needed to cheat'. Kennispoort Conference, Utrecht, 22 January 2016.

21. Ank de Jonge: 'Numbers needed to cheat'. Normal Birth Conference, Western Sydney, Australia, 10 October 2016.
22. Trudy Klomp: 3 December 2016, EMA London, 'Perceptions of labour pain management of Dutch primary care midwives: a focus group study
23. Lilian L. Peters PhD, Marianne Prins RM MSc, Ank de Jonge RM PhD: Agreement between data in the Netherlands Perinatal Registry and recollection of events by women in midwife-led care at the onset of labor, Normal Labour and Birth Conference, 2016 Sydney Australia
24. Lilian Peters: Nov 2016, Oral presentation about the research projects of Midwifery Science of the VUmc and tips and tricks for future researchers, Western Sydney University, School of Nursing and Midwifery, Australia
25. Esther Feijen-de Jong, EMA, dec 2016, masterclass socialisatie en visievorming van verloskundigen in opleiding
26. Esther Feijen- de Jong, ICM, juni 2017, internationale workshop over de begeleiding van pas afgestudeerde verloskundigen in de praktijk. Samenwerking met Canada, UK, Australië en Nieuw-Zeeland

B. Lectures for health care professionals, general public and patients (non-scientific audience)

1. Lianne Holten en Esteriek de Miranda. Baren Buiten het Systeem; een verkenning van de literatuur. Presentatie Kennispoort. 22 Januari 2016.
2. Elke Slagt-Tichelman: lecture at geneeskunde studenten Rijks Universiteit Groningen (RUG/UMCG). Sociaal en medische risico model met betrekking tot obstetrische zorg.
3. Viki Verfaillie & Myrte Westerneng: 4 nov 2016 BEN symposium: Inventarisatie en borging van echokwaliteit in een landelijk onderzoek én de invloed van de derde-trimester groei-echo op angst bij zwangere vrouwen en de binding met hun ongeboren kind.
4. Viki Verfaillie & Myrte Westerneng: (invited) spreker BEN symposium, Amersfoort: 4 november 2016 "IRIS studie: Inventarisatie en borging van echokwaliteit in een landelijk onderzoek én de invloed van de derde-trimester groei-echo op angst bij zwangere vrouwen en de binding met hun ongeboren kind."
5. Ank de Jonge (& Viki Verfaillie): (invited) spreker Symposium Foetale groeivertraging, Utrecht: 24 november 2016 "Samen op de kleintjes letten: Multidisciplinaire samenwerking rond de opsporing van foetale groeivertraging."
6. Trudy klomp: presentatie 'Management of Labour Pain in Midwifery Care' op VSV Amsterdam Oost OLVG 16 juni 2016.
7. Lilian Peters: May 2016, workshop woman-centered care: which measures are relevant in midwifery care to establish woman-centered care? Verloskunde Academie Groningen (lecturers and midwives)

C. Lectures other

1. Lilian Peters: Oct 2016, Workshop met Soo Downe about midwives professions and corresponding research projects, Western Sydney University, School of Nursing and Midwifery, Australia.

D. Poster presentation

1. Elke Slagt-Tichelman: Kennispoort conference 2016 persoonlijkheid in relatie tot moeder-kind binding.
2. Linda Martin: Poster: Introduction of non-invasive prenatal testing (NIPT) as a first-tier screening test: a survey among Dutch midwife-counselors. ISPD 20th International Conference on Prenatal Diagnosis and Therapy, Berlin, Germany, 10–13 July 2016.

3. Linda Martin Poster: Introduction of non-invasive prenatal testing (NIPT) as a first-tier screening test: a survey among Dutch midwife-counselors. Amsterdam Public Health Annual Meeting 25 November 2016, Amsterdam, Nederland.
4. Linda Martin: Knowledge translation / valorization
RIVM werkgroepen:
WG Inhoud voorlichting
WG Voorlichting (aanpassen website tekst, forder, filmscript op basis van proefschrift)
WG Kwaliteitseisen counseling
5. Viki Verfaillie: Poster: "Quality Control of Ultrasonographic Growth Assessment during a prospective trial", Fetal Growth Meeting, Toronto: 17-19 november 2016
6. Corine Verhoeven: "The influence of continuous support of women in labor by primary care midwives on referral rates during labor in the Netherlands" BIRTH China Clinical challenges in labor and delivery. Beijing, April 8th-9th 2016.
7. Corine Verhoeven: "The influence of continuous support of women in labor by primary care midwives on referral rates during labor in the Netherlands" International Normal Labour and Birth Conference Sydney, Australia, 10-13 October 2016
8. Anke Witteveen: Zwangerschapsgerelateerde angst en algemene angstige of somber stemming en de keuze voor plaats van bevalling: een secundaire data-analyse van de DELIVER studie. Utrecht, Kennispoort congres, 22 januari 2016 'Voorbij de fysiologie in de Nederlandse geboortezorg?'
9. Tessa Sellis, Marike A Wierda, Elke Tichelman, Mirjam T. Van Lohuizen, Marjolein Berger, Francois Schellevis, Claudie Bockting, Lilian Peters, Huib Burger. Association between maternal personality and postnatal mother-to-infant bonding, International conference on Health Sciences, Nursing and Midwifery. WASET. Barcelona, Spain May 26-27 2017 e-poster short ten minute oral presentation.
10. Kuipers A, Hollink T, Tichelman E, Craje C, Bockting CLH, Peters LL, Burger H. Is er een verschil in persoonlijkheid tussen vrouwen met een spontane partus en vrouwen met een kunstverlossing (vacuumextractie, forcepsextractie, primaire of secundaire section) in the Nederlandse populatie, Kennispoort January 2016

2.2 Future presentations

1. Symposium

1. Warmelink JC, de Cock TP, Wiegers TA, Hutton EK 'Hoe kijken studenten aan tegen (nieuwe ontwikkelingen in) de organisatie van verloskundige zorg? – posterpresentatie. Utrecht, Kennispoort, 22 januari 2016 (held)
2. Warmelink JC, Meijer JM, Mulder N, Mulder S, van Lohuizen MT Perception of the psychosocial aspects of subfertility by parents following successful Medically Assisted Conception: a qualitative study in the Netherlands. ISPOG Malaga, Spain 12-14 May 2016 (accepted)
3. Warmelink JC, Meijer JM, Mulder N, Mulder S, van Lohuizen MT Perception of the psychosocial aspects of subfertility by parents following successful Medically Assisted Conception: a qualitative study in the Netherlands. ESHRE, Helsinki, Finland 3-7 Jul 2016 (submitted)
4. Warmelink JC, de Cock TP, Wiegers TA, Hutton EK Student midwives' perceptions on the organisation of midwifery care and alternative maternity care models in the Netherlands - a qualitative study . 5th EMA education conference 2-3 December 2016 London UK (31 mei deadline) (submitted)

2. Other presentations

1. Lilian Peters: 2016, Presentations at five primary midwifery practices located in the Northern parts of the Netherlands to collect research questions and themes for input regarding the RAAK-PRO research proposal.
2. Lilian Peters: 2016, Presentations at the VSVs located in the Northern part of the Netherlands (i.e. Drachten, Emmen, Heerenveen, Hoogeveen, UMCG, Winschoten) to introduce Lifelines NEXT

3. Research

3.1 Current research projects, Project leader Midwifery Science

1. COOL-studie, Corine Verhoeven
2. INCAS-2, Ank de Jonge
3. Pregnancy-specific anxiety,
4. Building a model for quality care,
5. Continue begeleiding tijdens de bevalling, Corine Verhoeven
6. IRIS IUGR Risk Selection Study, Ank de Jonge
7. Mentale weerbaarheid/ veerkracht, Jens Henrichs
8. Childbirth Network, Corine Verhoeven
9. LifeLines ROAHD, Lilian Peters
10. Lifelines NEXT, Lilian Peters

3.2 Current research projects, Midwifery Science participant in research

1. Corine Verhoeven: member of project group TANGO DM study
2. Ank de Jonge: LifeLines next (member steering committee)

3.3 Promotoren en co-promotoren

Corine Verhoeven: Co-promotor Hilde Perdok, Sabine Logtenberg, Annika Walker

Esther Feijen- de Jonge: promotor Willeke Norder 'Praten over gezondheid' en Liesbeth Kool 'Transition of newly qualified midwives into practice'.

Ank de Jonge: Co-promotor Viki Verfaillie, Hilde Perdok, Myrte Westerneng, Bahar Goodarzi, Anna Seijmonsbergen

Jens Henrichs: Annika Walker

Anke Witteveen: Co-promotor Myrte Westereng

Lilian Peters": co-promotor Elke Tichelman

4. PhD's

4.1. Completed PhD's

4.2 Current PhD's

Viki Verfaillie	IRISstudy
Myrte Westerneng	Pregnancy-specific anxiety
Bahar Goodarzi	Risk-selection
Elke Tichelman	Mother to infant bonding, perinatal psychology
Ruth Baron	Leefstijl en zwangerschap
Catja Warmelink	Organization of midwifery care
Carien Baas	Investigating the client perspective on- and the organisation of midwifery led care in NL
Hilde Perdok	INCAS-2
Anna Seijmonsbergen	Variations in obstetric interventions
Willeke Norder	Women's experiences of pregnancy and childbirth
Annika Walker	Veerkracht

4.3 Future PhD's

5. Acquisition

5.1 Completed proposals

1. (E. Tichelman^{1,2}, M. Westerneng¹), A.B. Witteveen¹, A.L. van Baar⁵, H.E. van der Horst⁴, A. de Jonge¹, M.Y. Berger², F.G. Schellevis¹, H. Burger², L.L. Peters¹. Predictors of prenatal and postnatal mother-to-infant bonding: A systematic review. the complete review protocol is available on the website of Prospero (http://www.crd.york.ac.uk/PROSPERO/display_record.asp?ID=CRD42016040183).
2. Corine Verhoeven: The Childbirth Network, AVAG (Granted)
3. Corine Verhoeven: Interessepeiling Samen Beslissen/Verstandig Kiezen, ZonMw
4. Ank de Jonge: IMPACT-study- EU Horizon 2020 application (rejected)
5. Lilian Peters: Esther Feijen, Danielle Jansen, Francois Schellevis, Ank de Jonge, Corine Verhoeven, Jens Henrichs, Klaske Wynia, Gonda Stallinga, Harmen Bijwaard, Laurence Alpay, Catja Warmelink, Liesbeth Kool, Noortje Jonker, Mirjam van Lohuizen, Willemijn Warmink-Perdijk, Kim de Smit. Towards woman-centered care based on input gathered via an e-health application in primary midwifery care: IN CONTROL. RAAK-PRO, Submitted November 2016
6. A.de Jonge, J. Henrichs, J.C.N de Geus, E. Bohlmeijer, A. Honig, M. Olf, L. Peters, F. Schellevis, C. Verhoeven, A. Witteveen, Voluit leven tijdens de zwangerschap: verhogen van mentale weerbaarheid tijdens de zwangerschap ter preventieve van peripartum depressie, ZonMw, Submitted December 2016
7. Lilian L Peters, Louise Kenny, Ali Khashan, Henk Groen, Annemieke Hoek, Het voorspellen van cardiometabole ziekten op basis van reproductieve gezondheid door middel van een innovatieve statistische techniek, Gratamastichting, February 2016 (no grant received)
8. A de Jonge, E.I. de Feijen-de Jong, de Geus, M.L.A de Kroon, H. Groen, L.L.Peters, S.A. Reijneveld, F. Schellevis, A. van Hecke, R. Verweij. Het START-project: leidt een gezamenlijke intake door kraamzorg, jeugdgezondheidszorg tot een betere start voor moeder, baby en het gezin? ZonMw September 2016 (no grant received)
9. Ali Khashan, Richard Layte, Esben Agerbo, Louise Kenny, Huibert Burger, Lilian Peters, Louise Howard, Prenatal and Early life Determinants of Inequalities across the Life Course Trajectory (PREDICT), NORFACE DIAL Applications Template Outline Proposal, March 2016 (no grant received)
10. Esther Feijen- de Jong: ZonMw kraamzorg: Het START-project: Leidt een gezamenlijke intake door kraamzorg en jeugdgezondheidszorg tot een betere start voor moeder, baby en het gezin? (Projectleider en penvoerder, niet gehonoreerd)
11. Esther Feijen- de Jong: Vraagarticulatie RAAK-PRO en ondersteuning/medeschrijven van subsidie-aanvraag: Towards woman-centered care based on input gathered via an e-health application in primary midwifery care: IN CONTROL (mede projectaanvrager)
12. Esther Feijen- de Jong: Participatie in onderzoek naar betere zorg rond asielzoeksters in Ter Apel: COA: Pilot project Groepsvoorlichting voor zwangere asielzoeksters (IGVZ) (wetenschappelijk projectadviseur)
13. Esther Feijen- de Jong: Projectlid in subsidie-aanvraag ZonMw huisartsgeneeskunde: ZonMw aanvraag huisartsgeneeskunde Pregnancy and postpartum profiles to strengthen collaborative obstetric care for GPs and obstetric care professionals (projectadviseur)

5.2 Current proposals

Corine Verhoeven: The Childbirth Network, AVAG

Linda Martin: Innovatiesubsidie Quality of Care. Ingediend 21-12-2016

Ank de Jonge: BIRTH-RIGHTSS: EU Horizon 2020

5.3 Acquisition ideas

Catja Warmelink: RAAK PRO IN CONTROL: project 2: perspective of midwives (and clients) on woman-centered care.

5.4 Obtained research funds, grants and contracts

1. Jens Henrichs: (projectleider, main grant author), Anke Witteveen (Co-appllicant, co-author) en Ank de Jonge (hoofdaanvrager). Voluit leven tijdens de zwangerschap: Verhogen van mentale weerbaarheid tijdens de zwangerschap ter preventie van peripartum depressie. Een langlopend interventieonderzoek. Startsubsidieproject ZonMw Onderzoeksprogramma Langlopend Onderzoek Depressie
2. Corine Verhoeven: The Childbirth Network, AVAG (Granted)
3. Lilian Peters: August 2016 Travel Grant Academie Verloskunde Amsterdam Groningen to visit the Western Sydney University

6. Symposia / conferences organized

6.1 Completed

- 1 Corine Verhoeven: Chair of symposium 'Samen werken in de Geboortezorg'. Oktober 7, 2016, Koningshof, Veldhoven
- 2 Corine Verhoeven: Promovendidag Zwolle 13 december 2016
- 3 Ank de Jonge: 19 April 2016, Invitational Conference on research into risk selection

6.2 future

7. Symposia / conferences attendance

7.1 Completed

1. Catja Warmelink: Kennispoort, Utrecht: 22 januari 2016
2. Linda Martin: NIPT Symposium 22 maart 2016; AMC/VUmc
3. Marit van der Pijl, Symposium Coöperatieve verloskundigen Nijmegen en omstreken, 10 juni 2016, Nijmegen
4. Marit van der Pijl, Symposium beweging in de geboortezorg, 23 september 2016, Utrecht
5. Marit van der Pijl, CPZ jaarcongres, 11 november 2016, Hilversum
6. Elke Slagt-Tichelman: kennispoort conference 2016 , Utrecht: 22 januari 2016
7. Elke Slagt-Tichelman: Primary Care Mental Health Conference 2016, 12 mei 2016
8. Elke Slagt-Tichelman: Themabijeenkomst Zwangerschap en Depressie 8 december 2015, Netwerk geboortezorg NoordWest Nederland.
9. Viki Verfaillie: Conferentie Kennispoort, Utrecht: 22 januari 2016
10. Viki Verfaillie: symposium BovenMaasPrenataal, Rotterdam: 28 april 2016
11. Viki Verfaillie: Symposium Foetale groeivertraging, Utrecht: 24 november 2016
12. Willeke Norder: International Conference on Narratives of Health and Illness. University of La Laguna, Tenerife, 11-12 november 2016.
13. Catja Warmelink: ISPOG MALAGA, Spain 12-14 may 2016
14. Catja Warmelink: Positieve Psychologie: Zin in leven en werk. 25 november 2016 Ede
15. Catja Warmelink: 5th EMA education conference 2-3 December 2016 London UK
16. Corine Verhoeven: BIRTH China Clinical challenges in labor and delivery. Beijing, April 8th-9th 2016.
17. Corine Verhoeven: COST Action meeting Sofia, Bulgaria, 19-21 September 2016
18. Corine Verhoeven: 19 April 2016, Invitational Conference on research into risk selection
19. Corine Verhoeven: Kennispoort Conference, Utrecht, 22 January 2016.
20. Corine Verhoeven: Symposium inauguratie Marianne Nieuwenhuijze, 25 mei 2016.
21. Ank de Jonge: Symposium on home birth related to the PhD defence of Berglind Hálfhánsdóttir, Reykjavik, Iceland, 4 May 2016.
22. Ank de Jonge: European Congress of Perinatal Medicine, Maastricht, The Netherlands, 17 June 2016.
23. Ank de Jonge: Symposium on evidence based midwifery, Sofia, Bulgaria, 18 September 2016.
24. Ank de Jonge: SCEM congress Foetale Groeivertraging, 24 November 2016.
25. Ank de Jonge: Kennispoort Conference, Utrecht, 22 January 2016.
26. Ank de Jonge: Normal Birth Conference, Western Sydney, Australia, 10 October 2016.
27. Ank de Jonge: Symposium inauguratie Marianne Nieuwenhuijze, 25 mei 2016.
28. Ank de Jonge: 24 juni 2016. Referatendag en symposium 4e jaars studenten AVAG.
29. Ank de Jonge: 25 november 2016. First Annual Meeting Amsterdam Public Health Research Institute
30. Lilian Peters: Kennispoort Conference, Utrecht 22 januari 2016
31. Lilian Peters: Normal Labour and Birth Conference Sydney, Australie oktober 2016

7.2 Future

1. Elke Slagt-Tichelman: ICM Toronto june 2017
2. Catja Warmelink: International Scientific Nursing and Midwifery Congress Second Edition 8 - 10 February 2017 Antwerp, Belgium
3. Ank de Jonge: June 2017 ICM conference, Toronto, Canada
4. Hilde Perdok: June 2017 ICM conference, Toronto, Canada
5. Corine Verhoeven: June 2017 ICM conference, Toronto, Canada

8. Teaching activities

8.1 Completed teaching

1. Elke Slagt-Tichelman: lecture at geneeskunde studenten Rijks Universiteit Groningen (RUG/UMCG). Sociaal en medische risico model met betrekking tot obstetrische zorg.
2. Elke Slagt-Tichelman: begeleiding masterthesis student geneeskunde RUG/UMCG. The effect of fertility treatment on mother-infant bonding in women with children 0-5 years old.
3. Elke Slagt-Tichelman: begeleiding bachelorthesis 2 studenten verloskunde. Persoonlijkheid in relatie tot moeder-kind binding. (waarvoor de VAG-onderzoekprijs)
4. Jens Henrichs: Lecturer Vulnerable Groups in the Netherlands (Master module Advanced Midwifery of the VU Iniversity Health Science Master)
5. Catja Warmelink: onderzoeksbespreking VAG 'The organisation of midwifery care'; 19 mei 2016
6. Catja Warmelink: DELIVER studie. Minor PHP VAG. 17 november 2016
7. Viki Verfaillie: 5-12-2016 2h durend Gastcollege over IRIS studie en kwaliteit biometrie-echo's voor minor echografie aan de Verloskunde Academie in Rotterdam
8. Corine Verhoeven: Lecture Physisian Assistant (Klinisch verloskundige) Hogeschool Rotterdam. April, 2016.
9. Corine Verhoeven: Lecture Infecties in de zwangerschap. AVAG
10. Corine Verhoeven: Integrale geboortezorg: organisatiemodellen. AVAG: 31 augustus, 1 september, 16 en 17 november 2016
11. Corine Verhoeven: Module Master Health science: Big 4. September en oktober 2016
12. Ank de Jonge, 2016: Lecture 'Organisation of care' Master Advanced Midwifery module in Master of Health Sciences.
13. Ank de Jonge, 2016: Scientific writing, lecture and workshop AVAG
14. Esther Feijen- De Jong: Mede-ontwikkelaar blauwdruk master verloskunde Amsterdam-Groningen
15. Esther Feijen- De Jong: Projectbegeleider semester 3.1 (VAG)
16. Esther Feijen- De Jong: Begeleider in onderzoeksemester 3.2 en 4.2 (VAG)
17. Esther Feijen- De Jong: Toetsverloskundige vaardigheden (VAG)

8.2 Ongoing teaching

1. Catja Warmelink: 0.4 fte AVAG onderwijs Na 1 september 0.7 fte AVAG onderwijs, waaronder Journal club begeleiding en toetsing
2. Catja Warmelink: Begeleiding van studenten Anja Kremer, Marije Mink, versterken van veerkracht van cliënten. Project VGZ, januari 2016.
3. Catja Warmelink: begeleiding van studenten Daniela Congui en Muriël Lammerink. Hoe is de ervaring met eerstelijns verloskundige zorgverlening in de kraamperiode van vrouwen die vinden dat zij te lang hebben moeten wachten op de zwangerschap, vergeleken met vrouwen die dit niet vinden? OS juni 2016
4. Elke Slagt-Tichelman, Buter L, Gottmer K : Begeleiding van 2 EPB Minor/ Onderzoeksemesterstudenten met Deliverdata. Which attention do Dutch midwives give clients verbally about anxiety and depression? An exploratory study of videotaped first visit consultations.
5. Elke Slagt-Tichelman; fte AVAG onderwijs, waaronder Journal club begeleiding en toetsing.
6. Jens Henrichs: member think tank en ontwikkelteam Integrale Master Verloskunde AVAG/VUmc.
7. Linda Martin: begeleiden studenten OS
8. Linda Martin: Lesgeven Master Midwifery Science module 1 en 2
9. Trudy Klomp, VU Master Health Sciences, route Advanced Midwifery, 2 courses: Big Four and Vulnerable Groups, role of coordinator , examiner and supervisor of Review 'Big Four'.
10. Trudy Klomp, AVAG lecturer methodology and supervisor 3rd and 4th grade research projects.

11. Lilian Peters: Supervision students for their master thesis Health Science (University of Amsterdam) for analyzing PERINED data (in total $n=2$)
12. Lilian Peters: Lecturers of quantitative analyses using SPSS at the Midwifery Academy Groningen Amsterdam, bachelor students

9. Courses

9.1 Completed Courses

1. Catja Warmelink: Mediatraining 5 april 2016 VU taalcentrum
2. Marit van der Pijl, doelmatigheidsonderzoek, 21-23 november 2016, EpidM
3. Elke Slagt-Tichelman Projectmanagement Graduate School of Medical Science RUG/UMCG
4. Elke Slagt-Tichelman Systematic review and meta-analysis Graduate School of Medical Science RUG/UMCG
5. Elke Slagt-Tichelman Imputting missing data Graduate School of Medical Science RUG/UMCG
6. Jens Henrichs: Doelmatigheid EPIDM opleiding, VUmc in November 2016
7. Myrte Westerneng: regressietechnieken (EpidM), systematische reviews en meta-analyse (EpidM), klinimetrie: het ontwikkelen en evalueren van meetinstrumenten (EpidM), kwalitatief onderzoek in de praktijk van de gezondheidszorg (EpidM), scientific writing in English (taalcentrum VU)
8. Willeke Norder: DIPEX International Training, 19-22 september, Oxford University
9. Viki Verfaillie: May 18th -June 3rd: Regressietechnieken (EpidM VU)
10. Viki Verfaillie: 5-7-2016 Presenteer en pitch je onderzoek (Taalcentrum-VU)
11. Corine Verhoeven: Good Clinical Practice. Mei 2016: certified
12. Ank de Jonge: 2 juni Cursus lobbyen
13. Ank de Jonge: 6 en 7 oktober en 3 en 4 november. Cursus geavanceerde methoden epidemiologie, LUMC, Leiden
14. Lilian Peters: Epidemiologist B and registered at the national database 'Stichting voor opleiding tot Medisch-Biologisch Wetenschappelijk Onderzoeker'
15. Lilian Peters: Learning innovative statistical technique: sibling analyses at the University College Cork (Ireland), University College Cork, Departments of Obstetrics and Gynecology and Perinatal Epidemiology, Ireland
16. Esther Feijen- de Jong: Taalcentrum VUmc: Mediatraining (d.d. 5 apr, 2016)
17. Esther Feijen- de Jong: EpidM: Kwalitatief onderzoek in de praktijk van de gezondheidszorg (d.d. 8, 9 en 10 jun, 2016)
18. Esther Feijen- de Jong: ZonMw: schrijven van een onderzoeksvoorstel (d.d. 22 november 2016)

9.2 Current Courses

1. Catja Warmelink: Peer supervision Group
2. Elke Slagt-Tichelman; Epidemioloog B RUG/UMCG

9.3 Planned Courses

1. Linda Martin: BKO verkort april- juli 2017
2. Myrte Westerneng: Longitudinale data-analyse, april 2017 (EpidM)
3. Ank de Jonge: 6 januari 2017: Value based health care.
4. Lilian Peters: BKO 2017-2018

10. (Inter)national (non-)academic collaboration

10.1 International collaborations

1. Elke Slagt-Tichelman: Host and organisation international teacher-exchange Karolinska Institutet Sweden within Erasmusfunding. As well as guest in the Karolinska Institutet Sweden.
2. Lilian Peters: University College Cork, Departments of Obstetrics and Gynaecology and Perinatal Epidemiology.
3. Lilian Peters: Western Sydney University, School of Nursing and Midwifery, Australia.
4. Lilian Peters: University of Oxford, National Perinatal Epidemiology Unit, United Kingdom.
5. Corine Verhoeven: member of WG 2 COST Action EU
6. Ank de Jonge en Corine Verhoeven: European Childbirth Research Consortium; collaboration with researchers from England, Norway, Sweden, Germany, Italy, Slovakia
7. Ank de Jonge: COST Action BIRTH (Building Intrapartum Research Through Health – an interdisciplinary whole system approach to understanding and contextualising physiological labour and birth) (2015- 2019)

10.2 national collaborations

University Medical center Groningen (Health Sciences)

Midwifery Academy Maastricht (Zuyd Hogeschool)

Midwifery Academy Rotterdam (Hogeschool Rotterdam)

Faculty Health, Wellbeing and Sports (Inholland University of Applied Sciences)

University Medical Center Groningen department of General Practice

University Medical Center Groningen departments, Epidemiology and Obstetrics & Gynaecology

11. Other activities

11.1 Completed activities

A. External examiner and member of opposition panel PhD candidates

1. Ank de Jonge: Berglind Hálfhánsdóttir, defence 2 May 2016 'Planned Home Births in Iceland: Premise, Outcome and Influential Factors'. University of Iceland, Reykjavik, Iceland.

B. Member of opposition panel PhD candidates

1. Janneke Gitsels. The four pillar approach; a new model for iron deficiency anaemia management during pregnancy. Wdyawati. Nijmegen, 10 maart 2016
2. Lilian Peters: member of opposition panel PhD candidate Tjitte Verbeek, dep. Epidemiology, university medical centre Groningen

C. Review for international paper

1. Linda Martin: February, 2016: original article about The midwives' point of view regarding continuous support of labor- Journal of Perinatal Medicine(JPMED).
2. Linda Martin: April 2016, Abstracts ICM congress 2017
3. Linda Martin: review artikel ingediend bij: European Journal of Public Health over besluitvorming rond prenatale screening vanuit het perspectief van verloskundigen, vrouwen en partners en de invloed van het GZ system.
4. Linda Martin: Abstract review 31st ICM Triennial Congress 2017.
5. Linda Martin: feb 2016: Research paper submitted to Journal of Perinatal Medicine about The midwives' point of view about continuous support of labor.

6. Linda Martin: jan 2016: Research paper submitted to Journal of Pregnancy & Child Health about prenatal education about postnatal wellbeing.
7. Corine Verhoeven : Review for BMC Pregnancy and Childbirth July 2016 and October 2016
8. Ank de Jonge: PLOS Medicine (March 2016)
9. Ank de Jonge: Lancet (April 2016)
10. Ank de Jonge: NTVG (Dutch Journal of Medicine) (November 2016)
11. Ank de Jonge: BMC Pregnancy and Childbirth (November 2016)
12. Esther Feijen- de Jong: Abstracts Normal Labour and Birth conference Sydney
13. Esther Feijen- de Jonge: Abstract ICM conference Toronto Canada

D. Review of proposals for scientific committee EMGO+

1. Ank de Jonge: Scientific committee VU University Medical Center (April 2016)

E. Review of student dissertations for Kennispoort Prize

F. Other (MRNN and Consortia)

1. Ank de Jonge: Member of online forum of New England Journal of Medicine to discuss safety of out-of-hospital birth (January 2016)

G. Awards (no grants) and honors/special appointments

1. Elke Slagt-Tichelman ICM research proposal award
2. Jens Henrichs: Non-trainee Award Fetal Growth meeting 2016, congress Toronto Canada. 'Routine third trimester ultrasonography and pregnant women's experiences of prenatal care. A stepped-wedge cluster-randomized trial: The IRIS Study'

H. Memberships of scientific committees, editorial boards and civil society advisory bodies

Ank de Jonge:

1. Lid van jonge- GR netwerk
2. College Perinatale Zorg – commissie kwaliteit
3. Adviesgroep Geboortecentrum onderzoek
4. Commissie KNOV/ NVOG Perinatale Zorg
5. Associate editor, BMC Pregnancy and Childbirth
6. Member of the editorial board of the new 'International Journal of Childbirth' – official journal of ICM.
7. Associate editor Frontiers in Medicine and Frontiers in Public Health, Family Medicine and Primary Care (from September 2014).
8. Lid Stuurgroep studie Lifelines Next (2016-present)
9. Lid van Gezondheidsraadscommissie over Prenatale Screening (2015-2016)
10. Expert in mogelijke aansprakelijkheidszaak, Augustus 2016
11. Member of management team of COST Action BIRTH (Building Intrapartum Research Through Health – an interdisciplinary whole system approach to understanding and contextualising physiological labour and birth) (2015- 2019)

Lilian Peters:

1. European Childbirth Research Consortium
2. INTERMED foundation
3. Kennisnetwerk praktijk, onderwijs en onderzoek (consortium Zwangerschap en geboorte Noord Nederland)

4. Junior PI of the Research Group Reproductive Origins of Adult Health and Disease University Medical Center Groningen

Corine Verhoeven:

1. Lid expertpanel Zorgstandaard Integrale Geboortezorg CPZ
2. Lid werkgroep VIL/Zorgstandaard
3. Associate editor, BMC Pregnancy and Childbirth
4. lid van European Childbirth Research Consortium
5. lid projectgroep Regionaal consortium Brabant

Esther Feijen:

1. Lid van European Childbirth Research Consortium
2. Lid stuurgroep Zwangerschap en Geboorte Noord Nederland

Linda Martin:

1. member EACH (European Association for Communication in Healthcare)
2. Nederlandse Associatie voor Community Genetics en Public Health Genomics (NACGG):
(www.nacgg.nl)

Esther Feijen- de Jong:

1. Lid van dagelijks bestuur consortium Zwangerschap en Geboorte Noord-Nederland
2. Lid van de stuurgroep Zwangerschap en Geboorte Noord-Nederland
3. Lid van de projectgroep Data (ZeGNN)

11.2 Ongoing activities

Ank de Jonge:

Begeleiden studenten: AVAG student Onderzoekssemester: Anne ???, Michelle Nieuweboer (gestart 2014).
Testeigenschappen van AC versus EFW bij echo's in derde trimester.

Begeleiden studenten: AVAG student Onderzoekssemester: 2016: Suzanne Mentink and Eline van der Meer, 2016: Elise Boere and Leonie 't Jong

MSc student placements, Renee Thijmsen (start 2015)

MSc student placements, Cecile Speld, master EBP (gestart 2014)

Corine Verhoeven:

Begeleiden EBP student Laurie van der Sluis

Begeleiden EBP student Annabelle Iken

Begeleiden Master studenten Mireille Rutten en Alieke Hobert

Begeleiden AVAG 3 studenten onderzoek semester /pre-Master Health Science

Begeleiden 2 studenten AVAG afstudeerscriptie

Begeleiden AVAG 2 studenten onderzoek semester /pre-Master Health Science

Begeleiden EBP masterstudent, AMC-UVA Leonoor Vink

Begeleiden EBP master student Antje Pije

Begeleiden Master student Advanced Midwifery Ellen Groenesteeeg

Begeleiden master student EBP Sonja Roosma

Viki Verfaillie:

Deelname werkgroep Curven PRN Perined

11.3 Other

Catja Warmelink:

1. Behoeften van vrouwen na subfertiliteit in eerstelijns verloskundige zorg. Nieuwsbrief kennispoort. Geplaatst op 9 februari 2016.
2. Deelname Wijnholland award: Empowerment van zwangere vrouwen.
3. Interview met Catja Warmelink: Cloin C. Weg met het taboe, mensen willen geen buitenbeentje zijn. 2016 Freya Magazine 32 (3):4-8
4. Verwijzing naar online artikel WARMelink: JC, Adema W, Pranger A, de Cock TP . De ervaringen en de verloskundige zorgbehoeften van cliënten in de transitie van subfertiliteit naar ouderschap: een kwalitatieve studie. 2016. TvV4: 5
